traditional theatre semiotics promoted a scientific approach to theatre studies albeit viewing semiotics as the unique
discipline of research theatre sciences a plea for a multidisciplinary approach to theatre studies suggests instead a multi
disciplinary approach including the following theoretical disciplines narratology mythology pragmatics ethics theatre irony
theory of genres aesthetics semiotics theory of non verbal figures of speech rhetoric psychoanalysis reception theory history
and sociology with semiotics being only one among equals these disciplines are presented from the perspective of their
possible contributions to a sound methodology of theatre texts analysis traditional theatre semiotics moreover holds the
view that the actual performance on stage is the genuine text of theatre instead of the play script despite this paradigmatic
shift however this viewpoint has failed to produce commendable analyses of such texts the alternative presupposition put
forward in this volume entails a series of novel perceptions of the theatre text and its possible impact on the experiencing
spectator whose role in reading interpreting and experiencing the theatre text is not less crucial than that of the text itself
this view presupposes that the theatre text is a description of a fictional world generated by the theatre medium the author
also contests the age old view that a theatre fictional text reflects a simple narrative structure and suggests instead a
complexity that consists of seven layers personified mythical praxical naive ironic modal and aesthetic with each one of
them re structuring the previous layer professor rozik also presents and describes a semiotic layer that lends
communicative capacity to the description of a fictional world and two additional metaphoric and rhetoric layers which

structure the theatre experience the underlying purpose is to illustrate the application of the aforementioned disciplines to these fictional layers and eventually their joint application to entire theatre fictional texts organisation of the book reflects the structure of a university course
